

ATGA ITALY STUDY TOUR 2017

EXPRESSION OF INTEREST FORM

Mamma Mia - We are off to Italy!

The ATGA has successfully secured funding from Hort Innovation to host a subsidised industry study tour to attend the 8th International Table Grape Symposium and Production Technical Tour.

8ITGS will be held in Apulia and Sicily, Italy from 1st to 7th October, 2017. Italy is the main European table grape producer, and one of the bigger producer and exporter in the world, Apulia and Sicily account for the 70% and 25% of the national production.

The Symposium is a leading international event for the table grape industry, presenting the latest results of research and experimentation into table grape production to a scientific and technical audience from around the world.

Join ATGA on this highly informative technical study tour to hear the latest research and innovation for the global table grape community.
